

# **Climate Change Technical Assistance Task Force**

**BARC Governing Board**  
**July 17, 2015**

Bay Area  
**Regional  
Collaborative**

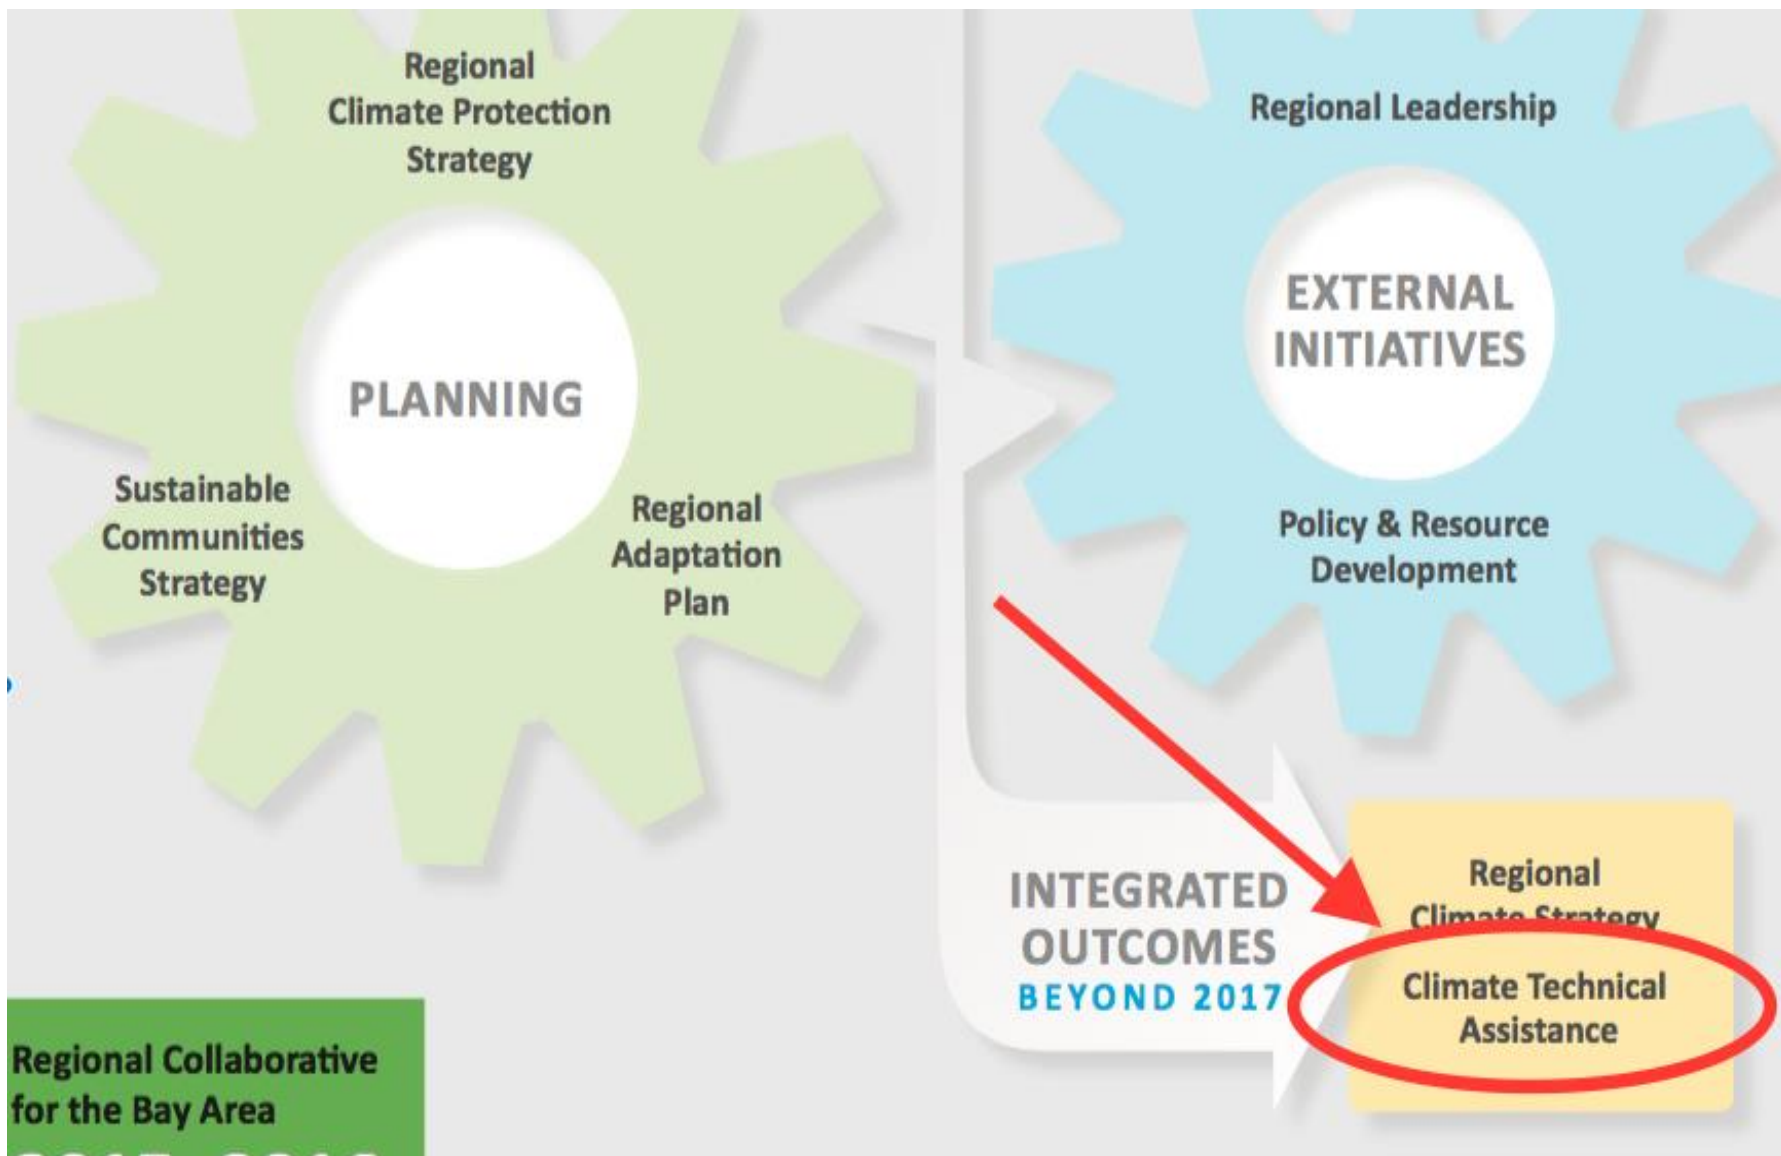

# Overall Goal

## Design an Approach to Regional Climate Technical Assistance that:

- Supports End Users in a More Seamless and Easy Way
- Leverages Resources Better Among BARC Member Agencies
- “Lifts all Boats” while advancing, and scaling up as appropriate, the region’s most innovative strategies
- Fosters regional learning network and information exchange

Bay Area  
**Regional  
Collaborative**

**Regional Collaborative  
for the Bay Area**

## **2015–2016 Work Plan**

- 1) Complete Resiliency Chapter of the Sustainable Communities Strategy
- 2) Integrate climate-planning documents
- 3) Prepare to develop comprehensive regional
- 4) Provide strategic leadership to key institutions and collaborative efforts addressing climate change in the Bay Area
- 5) Galvanize resources and increase visibility of

# Proposed Approach

1. Understand & diagram climate planning and implementation efforts in Bay Area
2. Identify gaps
3. Develop recommendations for cross-agency technical assistance

Bay Area  
**Regional  
Collaborative**

# Strong Foundation

## BARC Member Agencies Have Much to Build From:

- BAAQMD Gap Analysis, Data Support
- MTC Climate Program, Vital Signs
- ABAG/BCDC Hazard Mitigation & Resiliency Workshops
- Plan Bay Area
- JPC Bay Area Climate and Energy Resilience Project Assessment

Bay Area  
**Regional  
Collaborative**

# Phased Effort

- Focus in on what is achievable in an initial yearlong process
- Work is iterative, multi-phased
- Let's get started!

Bay Area  
**Regional  
Collaborative**

# Proposed Next Steps

**For September Governing Board meeting, BARC Executive Director would provide:**

- Details on how work will be feasibly staffed and financially supported
- More detailed Scope of Work
- Proposed Task Force composition
